

Soergel Home & Garden Spring Availability

Please note this availability is a working document. It is subject to change, and these items are not guaranteed to be in stock.

If you would like to place an order for pickup or delivery*, please email SoergelGardenCenter@gmail.com. We can send an invoice to pay online and arrange your pickup or delivery!

*Due to staffing and logistical constraints during the busy month of May, we are only able to customize orders so much. If you want to ensure specific varieties of plants, the best course of action would be to come in during business hours and select your plants (M-F 10:00 - 5:00).

For example, we might be able to provide a flat of mixed annuals or a selection of “petunias,” however we cannot necessarily pick out specific varieties at this time.

Flowering Annuals

*FROST WARNING! It is still early in the season, and the average frost-free date in our area is right around mid-May. We typically recommend waiting until then before planting annuals outside. If you do plant them now, keep an eye on nighttime temperatures, and if they dip into the 40’s or 50’s bring your plants in if possible or be sure to cover them for protection. (Cloth blankets, old sheets, overturned bins/garbage cans/pots. DO NOT use plastic sheeting)

Ageratum - Aloha Blue	Full Sun	4.5” Pot - \$5.49 10 or more - \$4.99
